PROPERTY OVERVIEW

2 

1.5 

1,196 sqft. 

1,408 sqft. 

Beautifully upgraded condo situated in the heart of Santa Clara features open concept living area with vaulted ceilings, durable wood-grain porcelain tile, gas fireplace with ledger stone surround, and sliding glass door to cozy patio deck. Just beyond this sits the entertainer's kitchen complete with European style slab door cabinets, quartz countertops, Samsung stainless-steel appliances, built-in wine rack, and large breakfast bar. The second level features two spacious bedrooms with tall sloped ceilings and low pile stain-resistant carpeting. Updated upstairs hall bath features large dual sink vanity with quartz countertops and wood-look porcelain flooring. Other features include plantation shutters throughout, central heating/AC, and indoor laundry/access to garage.

Schools: Scott Lane Elem., Buscher Middle, Santa Clara High School
